DISTRICT GENERAL MANAGER'S MESSAGE

70 YEARS IN MOTION

Last season, we journeyed through the history that shaped Southgate Recreation & Park District. After 70 years, that story continues, not just as a memory, but as something you can see, hear, and experience every day.

You can feel it as the days grow longer and our parks fill with energy. The R.E.C. Van rolls from neighborhood to neighborhood, bringing play directly to where families gather. Pools opening for recreation swim where new swimmers, returning families, and generations build water safety confidence together.

Events like the Filipino Fiesta bring culture, heritage, and pride reminding us how rich and diverse our community truly is, made stronger by the many stories within it. Our facilities become gathering places as the sun sets and neighborhoods come alive. They turn into meeting places for Movies in the Park and Float-In Movie Nights where a blanket, a dip in the pool, and a shared screen become unforgettable summer memories.

Motion shows up in quieter ways, too. At WildHawk Golf Club, early mornings and long afternoons unfold across the course with players walking the fairways, staff caring for the course, and a space that continues to evolve while serving as both recreation and open space for the community. It's another reminder that movement doesn't always mean fast. Sometimes it means steady, thoughtful progress.

Positive energy carries into moments like National Night Out which brings neighbors together with purpose, strengthening the relationships that make our neighborhoods safer and feel like home. These experiences remind us that parks and programs are not just amenities, but foundations for community.

This summer marks a milestone for the District. On August 27, the District celebrates its 70th anniversary! Not as just a date, but as proof of what sustained care, vision, and participation can create. A milestone that belongs to the people who show up, participate, and make our spaces meaningful. We thank every resident, staff, board member, volunteer, and partner who helped shape what the District is today and who continues to keep it moving forward.

This is what 70 years looks like in motion and we invite you to be part of it!

Staying Safe and Active While Beating the Heat

With the weather heating up, outdoor activities move to center stage. At Southgate Recreation & Park District we want to provide ways to keep yourself active and give you information to stay safe doing it. Looking to keep yourself and the kiddos busy this summer season? Look no further than Southgate Recreation & Park District's Swim Lesson Program. This program is designed to teach individuals of ages varying from 6 months all the way to adulthood the importance of being safe in and around the water. Our comprehensive program consists of various skills that provide lessons on many different swimming strokes as well as safety skills to protect you and others from the dangers that can occur near water. Southgate Recreation & Park District's aquatic team strives to keep the importance of safety the star of the show in all of our aquatic program offerings. To give you the best chance of success, we offer a variety of levels to provide instruction on what your current needs are. For more information about our levels check out page 23. Still not sure what level you fall into or joining us for the first time? Sign up for our **Swim Lesson Evaluation Days** on April 11 and 12, on page 22, to find out which level is perfect for your child. Looking to show off your show stopping skills you have learned thus far in the program? Come check out our 4th Annual **World's Largest Swim Lesson**. This worldwide event provides your child with a 30-minute lesson that strives to teach both safety skills in and out of the water. We will also be providing important **CPR and lifesaving presentations** throughout the event that any age can enjoy. We look forward to seeing you this summer season at our various programs. For more information check out the rest of this catalog as well as our website for current activities at southgaterecandpark.gov.

WORLD'S LARGEST SWIM LESSON

Join us for the World's Largest Swim Lesson to learn more about the fundamental importance of teaching children how to swim. Participants will all join in the same thirty-minute swimming lesson at the same time in the pool together. The lesson will be exciting and engaging on the topic of aquatic safety. For those not planning on getting in the water we will still have activities for you! There will also be a variety of booths, including Adult and Pediatric CPR, Dog CPR and other safety topics.

WHALE TALES

We are excited to bring back our WHALE Tales program offered by the American Red Cross. This program teaches children water safety knowledge and is designed to help make children "water smart." WHALE is an acronym for Water Habits Are Learned Early. Longfellow,

the animated whale, guides children through eight episodes about water safety in different situations and environments. Each topic is presented as a rhyme to help children remember important water safety messages. Our Aquatics team has partnered with our summer camp program to dedicate time each week in their schedule to provide these lessons. With safety always at the forefront of all our programs, we believe it is important to cover water safety before camps visit our pools each week. Drowning is a leading cause of death in young children and we at Southgate want to minimize unsafe behaviors in and out of the water. For more information about our summer camp programs see page 31.

Filipino Fiesta

Sacramento Raiders Youth Football & Cheer

The Sacramento Raiders is a 501(c)(3) non-profit youth organization that provides safe spaces, positive outlets, and educational resources to student-athletes from priority neighborhoods (ages 5–14). We have a long, 35-year history of serving our communities and have made a tremendous impact on the lives of many young people.

Our mission is to provide youth with a positive outlet where they can learn the fundamentals of football and cheerleading while also benefiting from a safe environment that promotes good sportsmanship, teamwork, and scholastic achievement. Positive reinforcement on the sports field is emphasized because it plays a vital role in encouraging strong social behavior. Being part of a team also builds intrinsic qualities such as self-confidence, initiative, and dedication.

In addition to our sports programs, we offer resources that address the social needs of our student-athletes and their families, including crisis intervention counseling, mentorship, mental health support, and gang-intervention services.

“This 2025 cheer season, the Sacramento Raiders cheerleaders had the incredible opportunity to travel to Florida to compete at Nationals—an experience that went far beyond the

competition floor. For many of the girls, this was their first time flying, traveling outside of the city or state, and being away from their parents for an entire week.

Throughout the trip, the girls showed tremendous growth both as cheerleaders and as young ladies. Competing on a national stage strengthened their confidence, discipline, and teamwork, while traveling together encouraged independence, responsibility, and maturity. They supported one another, built lasting bonds, and represented their team with pride.

Nationals is a truly transformative experience for both new and returning

athletes. Each year, providing this opportunity allows our cheerleaders to grow personally and athletically, expand their worldviews, and create memories that will stay with them for years to come.

Our football division made it to playoffs and championship; however, they did not advance to Nationals. Our goal for the upcoming 2026 season is to attend Nationals in both football and cheer. You can be a part of our program this season by joining us at our camps starting in March and at any of our events. To be a part of the Sacramento Raiders, you can contact us at 916-546-1360. Please follow us on Facebook under Sacramento Raiders (Official Page).”

LARRY GURY COMMUNITY PARK FIELDS

Southgate Recreation & Park District celebrated the Larry Gury Sports Fields Grand Opening on Saturday, November 15 at Larry Gury Community Park. Construction on the sports fields began in 2024 and was completed in summer 2025, adding lighted soccer fields, a new restroom building, a perimeter trail, and a multi-use trail that runs along Laguna Creek Parkway from Carmencita Road to Wingspan Drive and also serves as

a maintenance road. At 73 acres, it is the District's largest park and ready to be the new home base for practices, games, and weekend gatherings. The park is named for Larry Gury, who served as the District's General Manager from 1995–1998 and helped strengthen a community-focused service culture. Larry Gury, seen cutting the ribbon was joined by his family, District staff, and community members for the ceremony.

JIMMIE R. YEE PARK IMPROVEMENTS PROJECT

Construction of the project started in September 2025 and completed this spring. The project included demolition, grading, concrete paving and curbing, landscaping, installation of two shade structures in the playground and an adult exercise area with a shade structure. This new adult exercise area will provide accessible, and inclusive fitness that will benefit the community. The shade will allow longer and more frequent use of the playground and exercise area in addition to providing more protection from sun.

FRUITRIDGE COMMUNITY CENTER AND PARK RENOVATION AND EXPANSION PROJECT

Major construction activities continue at Fruitridge Community Park. The park is taking shape as many of the planned features are emerging, such as the new basketball and futsal courts, playground, and community garden. While they may begin to look inviting, it is still a very active construction site. Over the spring and summer construction will be on-going as these features and more, like exercise equipment, soccer fields, shade shelters, and, of course, many new trees are finished and planted. Further into spring, improvements to the swim center are anticipated including a new pool deck, new mechanical equipment, lockers, and a shade structure with seating to keep you cool from the sun. Unfortunately, the Fruitridge Swim Center will not be open this summer.

OLDE FLORINTOWN PARK IMPROVEMENTS

The Olde Florintown Park accessible concrete walkways and playground ramps are installed thanks to the support of Sacramento County as part of their Neighborhood Improvement Initiative. Other aspects of the project including benches, a new basketball court surface, striping, lighting, and backboards, as well as the park restroom connection to public sewer systems have been contracted and will commence as weather permits this spring. Those improvements are supported by grants from the Sacramento Housing and Redevelopment Agency and Community Development Block Grant Program funds in Sacramento County.

RUTTER PARK BASKETBALL COURT PROJECT

The District has been awarded funding from Sacramento Housing and Redevelopment Agency to build a new full basketball court with benches at Rutter Park. The project also includes other site related work such as replacement of concrete walkways and other concrete flat work, replacement of the ADA ramp into the playground, relocation of two existing concrete benches, new trash receptacle, irrigation system adjustments and new landscaping improvements. Construction is anticipated to commence spring 2026.

MANUEL MEJIA JR. PARK

The District has an agreement with Lennar Homes of California to build a 6.9-acre turnkey park within the Gardner Parke Subdivision. The park was recently named in honor of Manuel Mejia, Jr. who lived in and served the Southgate community for over 27 years. He started as Board Trustee on Southgate's affiliate youth sports support organization, Southarea Recreation, Inc. (SRI) then went on to be appointed to the Southgate Recreation & Park District Board of Directors. He will leave a

lasting legacy in this community that can be commemorated and remembered with this new park named after him.

The construction of the park was awarded to Frontline Engineering Construction, Inc. Park improvements include two soccer fields, a baseball/softball backstop, large and small playground equipment, two shade structures, multi sports courts with lighting and a full basketball court with lighting. Construction is anticipated to begin in spring 2026.

TILLOTSON PARKWAY EXTENSION PROJECT

The Tillotson Parkway Extension project will complete the final 800-foot segment of the existing trail network north of T.R. Smedberg Middle School and Sheldon High School. This project closes a gap in the pathway system and provides the final link between the Tillotson Parkway to portions of the Laguna Creek open space and trail system. The project will also include irrigation, electrical and lighting work, and twenty newly planted trees. The project is funded, in part, by a federal grant, which is administered by the California Department of Transportation (Caltrans). The project has been contracted, and construction will commence in spring as weather permits. The corridor will be closed during construction as we prepare for it to be opened and ready for use later in 2026.

WILDHAWK GOLF CLUB PATIO SHADE PROJECT

Exciting things are happening at the WildHawk Golf Club! A newly renovated patio area is coming this summer. The project has been awarded to PBM Construction and will begin construction starting this spring. The new patio area will accommodate more seating and area for after-hour dining, live music, and other outdoor events that can now be done year-round for tournaments.

Additional work includes improvements to the accessible parking area and a new concrete walkway from the parking lot to the front of the building. The shade structure will be a large 25' x 60' metal awning with electrical improvements and the renovated patio area overlooks a beautiful pond and hole 18. Visitors will be able to relax and enjoy the views while taking a break from golfing or in the after-hours while listening and dancing to live music. This much needed amenity will provide much needed shade under the sun providing a great outdoor space while waiting for your tee time or enjoying the WildHawk Grille.

PARKS DEPARTMENT UPDATE

At Southgate Recreation & Park District, our Parks Department is committed to the care and stewardship of District parks, trails, and facilities. Our crews are out in the District daily making sure these spaces feel clean, safe, and well-maintained for everyone who lives and plays in the District.

On any given day, staff are conditioning parks and sports fields while regularly collecting trash along parks, trails, and other District facilities, and keeping irrigation systems running the way they should. That steady, behind-the-scenes work helps us care for thousands of trees and hundreds of acres of turf, shrubs, streetscapes, and landscaped areas across Southgate.

Over the winter, the focus shifts, but the work doesn't slow down. Crews mulch fallen leaves with electric mowers returning organic material back into the turf. It saves time, reduces hauling to the landfill, and helps the soil stay healthy. At the same time, our irrigation team has been moving from park to park, completing system reviews, testing and repairing equipment, and getting everything ready for spring. These proactive efforts help conserve water and keep irrigation efficient.

Our special projects team also stays busy with improvements, installing bollards along Orange Avenue at Florin Creek Park and the multi-use flood control basin, painting soccer goals, and repairing and maintaining playground equipment so recreational areas stay safe and welcoming.

We're grateful for the experience and dedication of our team, including Assistant Parks Manager Guy Gray (30+ years), Maintenance Specialist III (Special Projects) Frank Crisostomo (25 years), Irrigation Manager Dustin Lee (nearly 20 years), and Mechanic Chris Royeton, along with the many staff members who support the District's mission every day.

This season, the Parks Department is focusing on weed abatement and fire prevention, conditioning sports fields, and keeping our parks in top shape for the community.

Muhammad Ali, Parks Manager

WildHawk Golf Course Improvements

Spring always feels like the best time of year on the golf course. Grass and golfers alike awaken from their winter slumber, after slogging through months of rain, fog, cold and often minimal sunshine. But the spring sun starts to shine brighter and longer, and all forms of life begin to wake up quickly. And before we know it the golf course is full and alive again, with plenty of work to be done!

As we dive into 2026, we have much to look forward to. Efforts made in the past year to make over 270 repairs to the irrigation system have really paid off with more consistent, firmer and healthy conditions. With most major repairs behind us, we focus now on fine-tuning the system by performing a course-wide audit of each of the 2200+ sprinklers on property. This will help us ensure water is being distributed where and how we want and expose any lingering malfunctions we haven't yet caught.

Our front entry is slated for a significant facelift this year, with a new entry sign, improved turf lawns and removal and replacement of unhealthy plants with a new palette of plantings that will welcome every golfer as they drive in.

The trees here at WildHawk are a very important feature of the course. After 25+ years, some trees can negatively impact conditions either due to shade, exposed surface roots or root

intrusion into greens or tees, and root systems compromising key drains that negatively impact winter conditions when we have big storms. Selective tree trimming and thinning this year will improve the overall experience at the course with minimal impact to the aesthetic of the property.

We've worked hard at getting any Bermuda grass intrusion into our bunkers under control this past year and now we plan to improve sand quantity and quality, as well as some more renovations of select bunkers as time and budget allows.

We feel great that course conditions at WildHawk have never been better. We will continue more improvement and we're excited to bring better conditions to our customers in 2026. We look forward to everyone coming out to witness and experience the improvements for themselves! We hope

you enjoy visiting the property as much as we enjoy working on it! See you on the course!

Spring and Summertime at WildHawk

Summer is the perfect time to discover (or rediscover) the game of golf at WildHawk Golf Club. As a public 18-hole facility, WildHawk Golf Club offers a fun, inclusive environment for golfers of all ages and skill levels. Whether you're brand new to the game or a lifelong player, the course is designed to be approachable for beginners while still providing a rewarding challenge for more experienced golfers. With longer days and beautiful weather, it's an ideal place to get outside, stay active, and enjoy time with friends, family, and the community.

WildHawk Golf Club is more than just a place to play; it's a place to belong. Our WildHawk Players Association welcomes a wide variety of golfers, including both men and women, and offers opportunities for organized play, friendly competition, and social connection throughout the season. We also have an active Women's Club that plays every Wednesday, creating a supportive and welcoming atmosphere for women to enjoy the game, build friendships, and continue developing their skills.

For those looking to practice or improve, WildHawk features a full driving range and a dedicated instructional team. Our five on-staff instructors offer private lessons, group lessons, and popular junior camps during the spring and

summer months. These programs make golf accessible and enjoyable for juniors, adults, and families alike, helping new golfers build confidence while giving experienced players tools to take their game to the next level.

Before or after your round, be sure to stop by the WildHawk Golf Club Pro Shop. Stocked with the latest golf equipment, apparel, and footwear from today's top brands, the pro shop has what you need to play your best and feel comfortable on the course. Our knowledgeable staff are always happy to help with equipment recommendations or answer questions.

This summer, we invite the community to experience everything WildHawk Golf Club has to offer excellent course conditions, outstanding instruction, welcoming programs, and a friendly atmosphere that makes everyone feel at home. Whether you're practicing on the range, joining a league,

taking a lesson, or teeing it up for the first time, WildHawk Golf Club is the perfect place to make golf part of your summer.

Two Twilight Leagues to Choose From

Two leagues are better than one. WildHawk is hosting twilight leagues on two nights this year, not just one. Both leagues are 9-hole leagues and are open to all skill levels. The first league is on Mondays and begins play on April 27. The second league is on Wednesdays and begins April 29.

Both leagues will host forty-eight golfers, so there is plenty of room. The

Twilight Leagues are perfect for those of you that want to squeeze in a round of golf during the week.

To register for the Monday league go to www.spark.golf.com. To register for the Wednesday league go to www.twilightgolfassociation.com.

For additional information email kswan@wildhawkgolf.com or call 916-688-4653.

There is Still Time to join the WPA

There is still plenty of time in the golfing year to join the WildHawk Players Association, or the WPA as it is known at WildHawk. The tournament calendar has a schedule of fun and competitive golf events. Some tournaments are team events and some are individual. Tournaments are a great way to put your game to the test and an opportunity to meet new golf friends.

The WildHawk Player Association hosts tournaments like the Match Play and Club Championships, NCGA qualifying events and other fun events throughout the year that allow their members to have fun, play golf and meet new people. So, if you're looking to play some serious golf or just looking to play some fun events you should consider joining the WPA. Visit www.wildhawkgolf.com for more club information.

Music on the Patio

If you're a neighbor of the golf course or just a music lover join us this spring and summer for our Music on the Patio series. Beginning in May when the days get longer and a bit warmer, we feature a crowd pleasing band and delicious BBQ on the patio. Music on the Patio also features a special guest, from Crown Royal, Patron Tequila to a local craft beer. So, if you're a lover of yacht rock, country or rock classics we will have a band that will get you toe tapping. Music on the Patio is family friendly and is free. See you on the patio this spring.

ALL ABILITIES SWIM

Come and join us at Christine Thompson Aquatic Center for some sensory-friendly fun! All Abilities Swim is a time for children with special needs and their families to visit the pool and have a lower-intensity experience, while still having a lot of fun. Normal recreation swim is a very busy time that has a good amount of stimulation, such as spray play use, music playing, children screaming, etc. This may overwhelm a guest with sensory processing disorders.

During All Abilities Swim, aquatics staff will keep the noise down by turning off music to help our friends with special needs and their families enjoy recreational swimming. Pools provide an awesome experience for those that have sensory processing issues, as they can provide full-body pressure, a quiet experience (underwater) and a place to have fun while doing so. For further information, please call (916) 526-0234.

Please note:

- Children must be accompanied by a parent/guardian or caregiver
- Regular pool rules apply
- An ADA Lift is located in the lap pool and zero-depth entry water wheelchair provided for the activity pool

Swim Lessons

Southgate Recreation & Park District is proud to offer one of the finest and most comprehensive swim lesson programs in Sacramento. The aquatics department is dedicated to teaching every participant how to swim, regardless of age or ability. This is achieved by ensuring low student to teacher ratios and small class sizes, which allow for personal attention and feedback from instructors. Instructors use a combination of professional training techniques and years of teaching experience. Participants with special needs should contact the Aquatics Recreation Supervisor at least two weeks before the first lesson to make any necessary arrangements. For further information, please call (916) 526-0234.

SWIM LESSON GUIDELINES

1. Please arrive early and have your student ready for instruction. All classes begin and end as scheduled.
2. All classes are 30 minutes. Each group session is 8 days, Monday – Thursday. Each private session is 4 days.
3. Class size is limited to 6 students. Exceptions: Starfish is limited to 10 students; Guppies and Otters are limited to 4 students.
4. Classes may be added or deleted from class sessions depending on enrollment.
5. In the event that the level of instruction must be changed, please notify your current instructor, and make the necessary change with a cashier during regular registration hours. Level transfers must be completed within the first 2 days of instruction.
6. In the event that a class is cancelled due to unforeseen circumstances, it will be made up on the next available Friday. You will be informed by your instructor if this occurs.
7. No class refunds issued after the class has begun.

SWIM LESSON CLASS DESCRIPTIONS

Level 1: Starfish (6 mos. – 3 yrs., with parent participation)

This class is designed to adjust the child as well as the parent or guardian to the aquatic environment. Child must wear swim diaper and *must be accompanied by a parent or guardian in the water at each session.*

Level 2: Guppies (3 – 5 years)

This class is designed for the youngster who cannot float. Students will acquire skills such as front and back floating, arm strokes, flutter kick and submerging. Child must be three years old and mature enough to be in the water by themselves.

Level 3: Otters (3 – 5 years)

This class is designed for the youngster who is very comfortable in the water, but unable to float on their own. Students will acquire skills such as front and back floating, as well as being introduced to front crawl and back crawl strokes. Child must be three years old and very comfortable being in the water by themselves.

Level 4: Polliwogs (6 years and up)

This class is designed for the older youngster who cannot float. Students will learn and practice making forward momentum using front and back crawl as well as submerging. Child must be at least 6 years old.

Level 5: Tadpoles (6 years and up)

This class is designed for the youngster who has completed Guppies, Otters or Polliwogs or who can float on their front and back comfortably without assistance. This class will introduce the front and back crawl strokes.

Level 6: Goldfish (6 years and up)

This class is designed for students who have completed Tadpoles, or who are able to demonstrate back crawl arm action and at least 15 feet of front crawl. Students will work on improving coordination of the front and back crawl strokes while being introduced to rhythmic breathing and glides.

Level 7: Barracudas (6 years and up)

This class is designed for students who have successfully completed Goldfish, or who are able to demonstrate 30 feet of front crawl and back crawl. Students will begin learning rotary breathing, elementary backstroke, breaststroke, and dives.

Level 8: Dolphin/ Shark (6 years and up)

This class is designed for students who have successfully completed Barracudas, or who are able to at a minimum swim 25 yards of front and back crawl and demonstrate the elementary backstroke and breaststroke. This class will continue to work on building swimming mechanics and endurance while introducing students to the butterfly stroke and flip turns.

Level 9: Teen & Adult Beginners (12 years and up)

This class is designed for non-floaters and beginning floaters. Classes develop floating ability and stroke technique.

Private Swim Lessons (all ages/abilities)

This class provides tailored one-on-one instruction for all ages and levels of ability. Private instruction is offered during fall lessons at Christine Thompson Aquatic Center. Children under 3 years may require parent participation in the pool. These classes include four, 30-minute lessons.

SAFETY CLASSES

LIFEGUARD TRAINING WITH TITLE 22

This American Red Cross course provides entry-level lifeguard participants with the knowledge and skills to prevent, recognize and respond to aquatic emergencies and to provide care for breathing and cardiac emergencies, injuries, and sudden illnesses until emergency medical services (EMS) personnel take over.

Prerequisites

To participate in the Lifeguarding (Including Deep Water) course, participants must:

- Be at least 15 years old on or before the final scheduled session of the Lifeguarding course.
- Successfully complete the two prerequisite swimming skills evaluations:
- Prerequisite 1: Complete a swim-tread-swim sequence without stopping to rest:
 - Jump into the water and totally submerge, resurface then swim 150 yards using the front crawl, breaststroke or a combination of both. (Swimming on the back or side is not permitted. Swim goggles are allowed)
 - Maintain position at the surface of the water for 2 minutes by treading water using only the legs
 - Swim 50 yards using the front crawl, breaststroke, or a combination of both
- Prerequisite 2: Complete a timed event within 1 minute, 40 seconds:
 - Starting in the water, swim 20 yards. (The face may be in or out of the water. Swim goggles are not allowed).
 - Surface dive (feet-first or head-first) to a depth of 7 – 10 feet to retrieve a 10-pound object.

- Return to the surface and swim 20 yards on the back to return to the starting point, holding the object at the surface with both hands and keeping the face out at or near the surface.
- Exit the water without using a ladder or steps

The prerequisite skills evaluation will occur on the first day of the course. If you do not pass the skills evaluation, you will not be able to continue with the course and will not be eligible to receive a refund. Prepare accordingly: practice your swimming and treading water skills prior to the course.

Participants must attend all scheduled sessions and pass the skills/written tests in order to receive certifications. Payment of the course fee is not a guarantee of certification. Upon successful completion of course requirements, participants will receive the following certification: Lifeguarding with CPR/AED For the Professional Rescuer, First Aid, and First Aid for Public Safety Personnel.

****There will be a pre-requisite evaluation and introduction to the course the evening before the class starts****

KUNDALINI YOGA: WISE WOMEN RISING

Menopause, the time when a woman stops having her menstrual period, happens to all women regardless of religion, race, socio-economic status or place of residence. Perimenopause usually begins about 4-6 years before menopause begins, but it can last for up to 10 years. Symptoms like hot flashes, night sweats, forgetfulness, irritability, fatigue are not uncommon. And while they usually subside within a couple of months, they can be very uncomfortable, and increase stress. This kundalini series is made up of 5 kriyas that have been proven to improve the physical and emotional symptoms associated with perimenopause and menopause

Anniversaries

Eric McCutcheon,
*Maintenance
Worker I*

Eric celebrated
5 years with
Southgate

Recreation & Park District in February. He began his journey with the District working part-time in recreation before transitioning to the parks department and becoming full-time in 2021. Eric is recognized for his meticulous attention to detail and takes great pride in delivering top-quality work as part of the pickup and mow crew. Dependable and dedicated, he consistently gives his best effort, and his positive attitude makes him an outstanding teammate. When not working he's likely to be found with his pen and sketchpad crafting amazing illustrations.

Chris Royeton,
Mechanic

Chris celebrated
5 years with
Southgate
Recreation & Park
District in March.

As the Parks Department mechanic, Chris plays a vital role in maintaining and servicing the department's fleet, which includes trucks, trailers, vans, mowers, chainsaws, trimmers, and other essential equipment. He has been instrumental in the District's transition to electric-powered equipment, offering valuable insight and ensuring proper servicing of this new technology. Before joining Southgate, Chris brought 20 years of experience as a merchant marine, working as a tugboat engineer on the San Francisco Bay. In his free time,

he enjoys immersing himself in nature through hiking, white-water rafting, and horseback riding.

Peter De Santiago,

*Network
Administrator*

Peter De Santiago
celebrated 20
years with the
District in April.
Since starting in

2006, Peter has served as the District's Network Administrator, managing 56 workstations, network servers, and a wide range of devices across multiple facilities—including phones, tablets, printers, credit card readers, and more. He also oversees over 90 email accounts, ensuring the District's technology and communication systems run seamlessly. Known for his friendly, helpful nature and positive attitude, Peter works diligently with vendors to maintain uninterrupted service and patiently assists employees with computer setups, password resets, and technical issues. Outside of work, Peter is an animal lover with an impressive green thumb.

Julia Goetz,
*Administrative
Assistant II*

Administrative
Assistant II Julia
Goetz will celebrate
5 years with

Southgate Recreation & Park District in June. She began with the District part-time while in college at UC San Diego and in 2021 was hired full-time. Her prowess in human resources and spreadsheets is essential to the smooth operations of the administration department. Julia warmly welcomes

job candidates and new employees, providing valuable support throughout the onboarding process. Known for her dedication to both her work and the District's team of approximately 230 full- and part-time staff members, Julia is a true asset. Outside the office, she is an avid reader, a movie enthusiast, crafter and a master puzzle solver—always ready for a challenge! We're grateful for her hard work, positivity, and commitment to excellence.

Richard Lincoln,
Recreation Manager

Richard Lincoln
celebrated 15 years
with Southgate
Recreation & Park
District in March.

Since joining as Recreation Manager in 2011, Richard has been a catalyst in the growth and development of the recreation opportunities in the District. Community offerings have evolved over the years but his dedication to District residents has never wavered. Currently, Richard is leading the Fruitridge Community and Swim Center renovation project. Known for his steadfast support of his team, Richard empowers his staff to succeed while giving them the independence to leave their own mark on programs. His leadership continues to shape the District's recreational opportunities in meaningful ways.

Marge McCuan,
*Assistant Recreation
Manager*

Marge celebrated
10 years with
the District in
February, and in

that time has demonstrated exceptional

dedication, growth, perseverance, and outstanding leadership. She began her career as Recreation Supervisor II, and has consistently worked hard, embraced new challenges, and shown a strong commitment to professional development. Through her adaptability and willingness to grow, she has earned multiple promotions, culminating in her current role as Assistant Recreation Manager. As a key leader and cornerstone of the department, Marge has an integral role in guiding staff, supporting programs, and navigating the many changes the District has experienced over the past decade. Equally important, she is a valued co-worker and dependable teammate. Through times of change and challenge Marge has remained flexible, collaborative, reliable, and forward thinking, making a lasting impact on both coworkers and the community she serves.

AGREEMENT, WAIVER, AND RELEASE

In consideration for being permitted by Southgate Recreation & Park District ("District") to participate in the above-referenced activity, I hereby waive, release, and discharge any and all claims for damages for personal injury, death, or property damage which I may have, or which may hereafter accrue to me, as a result of participation in said activity. This release is intended to discharge in advance the District (including its officers, employees, volunteers, and agents) from any and all liability arising out of or connected in any way with my participation in said activity, even though that liability may arise out of active or passive negligence or carelessness on the part of the persons or entities mentioned above.

It is further agreed that this waiver, release and assumption of risk is to be binding on my heirs, administrators, executors, and assigns and that I shall indemnify and hold the District (including its officers, employees, volunteers, and agents) free and harmless from any loss, liability, damage, cost, or expense which may arise out of or connected in any way with my participation in said activity.

Additionally, I fully understand that my participation in the above-referenced activity exposes me to the risk of personal injury, death, communicable diseases, illnesses, viruses, and/or property damage. I hereby acknowledge that I am voluntarily participating in this activity and agree to assume any such risks.

VIRTUAL CLASS RELEASE: I hereby warrant and agree, that the conditions of my environment are safe, free from obstructions, and are suitable for participation in the above-referenced activity. I further understand and agree that any material downloaded, viewed or otherwise obtained through my participation in said activity is done at my own risk and the District is not responsible for any loss, alteration, corruption or other damage to my personal property, including computers, networks and other property used as part of my participation.

VIDEO & PHOTOGRAPHIC RELEASE: I understand that photographs and/or videos may be taken during this activity and hereby grant the District permission to use any such photo(s) and/or video(s) for advertising or in promotional materials.

PARENTAL/GUARDIAN CONSENT: (to be completed and signed by parent/guardian if Participant is under 18 years of age.)

I hereby consent that my son/daughter, _____, participate in the above-referenced activity, and I hereby execute the above Agreement, Waiver, and Release on his/her behalf. I state that said minor is physically able to participate in said activity. I hereby agree to indemnify and hold the District (including its officers, employees, volunteers, and agents) free and harmless from any loss, liability, damage, cost, or expense which may arise out of or connected in any way with said minor's participation in said activity.

I HAVE CAREFULLY READ THIS AGREEMENT, WAIVER, AND RELEASE AND FULLY UNDERSTAND ITS CONTENTS. I AM AWARE THAT THIS IS A RELEASE OF LIABILITY AND A CONTRACT BETWEEN MYSELF AND THE ABOVE DISTRICT AND I SIGN IT OF MY FREE WILL.
